## **CAMP POLICIES**

### **ATTIRE**

Dress appropriately for the weather. Bring a windbreaker, hat, sunglasses, sneakers or golf shoes, water bottle, sunscreen, and golf clubs.

### **SAFETY**

Never swing until an instructor permits it. Never walk in front of a group or person hitting balls or swinging a club. Always practice in designated areas only. Students not observing these simple safety rules will be removed from camp and a refund will not be issued.

### **MEDICAL ATTENTION**

Staff members are certified in CPR and First Aid. If an instance arises we will administer life saving measures on students if necessary. Please notify camp staff of any medical conditions (mental or physical) that we should be aware of. Camp staff will not administer medication to students.

### **RISK**

The BGS is not responsible for lost or stolen property. Parents assume all risk of injury to their child and recognize there are inherent risks associated with the game of golf in general. Because of these dangers, safety rules will be strictly enforced.

### **REFUNDS**

Refunds will be issued until 2 weeks prior to the camp date. Please notify us as soon as possible if you must cancel.
